DIRECTORS MESSAGE

Wow oh wow, ooooo doggy.....I think someone may have a copyright on that, but man what a start to our season. It seems we couldn't catch a break from the rain to save our souls. On the weekends we didn't have a ride planned it was beautiful, on our scheduled rides, it poured.

We tried to start off season with a Breakout ride to the paint ball in Alexandria, IN. That was a washout. Some of our road captains planned our route out the weekend before. It was beautiful. So that was put on the back burner for a future destination.

Now on to our May Dinner ride. Our original destination was to Perillo's in North Salem. Well Dennis called and let them know that our group was coming. Then we had John call and they told him they couldn't accomodate our group. Little did we know that Dennis was already there holding our spot. So we rode up to Danville, tried to call again and no there was no way they could service us. So we turned our direction and went to Mayberry Café. Where Dennis, Debbie, John, Diana and Liz joined us (they had all been sitting at Perillo's waiting on us, that's why they couldn't service us). Never saw that coming. Well live and learn, we still had a great time.

Our Chapter ride to Columbus was a HUGE success. We had some where in the neighborhood of like 30 bikes and 35 people. WOW!!!! We had let them know at the Hangar 5 that we were coming, but I think our huge crew totally took them by surprise. Great Food, Great social time. What a moving and touching time at the Veterans Memorial at Bartholomew County Courthouse.

I would like to take the time to recognize our Veterans:

Don Friar-US Navy Submarine Service 1977-1983

Craig Meany-Navy 1975-1979

Lee Faletic-US Army 1982-1988

Lee Lopes-US Air Force 1989-1997

Stan Gunning-Pilot-US Army 21 ½ years

Terry Thorpe-US Air Force 1975-1978

Dennis Biggerstaff-US Army

Doug Bane-US Navy Reserve

Glen Arnold-US Navy

Jim Haarbauer-

Danny Phillips-

Randy Wright-

After we celebrated our Vets and their service.....some of us indulged in ice cream, some of us stuck to our regimen to be fit.....I myself decided to partake in the ice cream.... After the sweets most of us rode back to Taylorsville to stop and get gas, and from there we all went on our way home. Keep Randy in your thoughts, he's having some issues with his bike.

Our next official adventure is our Dinner Ride that is June 2nd. KSU 6:30 Our destination is Monrovia Main Street Bar and Grill. Downtown Monrovia.
